## WELCOME TO THE 16<sup>TH</sup> WORLD SCOUT MOOT

I'M REALLY HAPPY TO WELCOME YOU TO PORTUGAL TO THE 16<sup>TH</sup> WORLD SCOUT MOOT.

In this Moot we want you to engage, as a Rover, with your local community, your family, friends, and Scout unit to find out what you can change. Dream and walk that path!

Embrace the challenge, build your dream, work on it, and share it with us in this Moot.

At the heart of this Moot is our confidence in you! We believe you must be the active builder of your own destiny; you need to make clever choices and be prepared to engage with new challenges to change the world. You have the power to change communities and impact lives!

This Moot will be whatever you want it to be. We want this international Scout activity to impact on you and on your future, and your future starts **today**.

I look forward to meeting you in Portugal, land of navigators and explorers, with a mild climate and 3000 hours of sun annually, 525 miles of beaches, defying mountains, welcoming people, and great food.

Let Portugal be the platform to your path, that will be walked in togetherness to make our world a better place.

We're working hard to make this Moot an unforgettable moment for you!

Inês Graça  
Project Director

## THE PATH EXPERIENCE

We want to provide you the best Path experience in your Tribe. We also want to give Participants the opportunity to develop their skills in creating and managing a project with people from different countries.

For that, we will launch a call for projects regarding the Paths, including the necessary content to be in the projects (rules of procedure). Everyone can apply for this call with a project which will be reviewed by our **organizing team**.

To apply for a project, you need to set up a **Path Planning Team (PPT)**, formed by no more than 4 Participants, with a maximum of 2 from the same country.

After meeting all the requirements, the projects will be presented in our website for all Participants to select the Paths which will be then prepared by each of the PPTs.

Remember that you need to be a Participant to become a member of a PPT. If you register as IST, you can only participate in the Path if you are selected as a Tribe Adviser.

Here are the relevant deadlines to remember:

- **Submission of Path projects:** February 2024
- **Selection of Paths:** July 2024
- **Preparation of Paths:** from September 2024 to May 2025
